March 31, 2021

Independent Auditor's Report

To the Members of Wagmatcook First Nation:

Opinion

We have audited the consolidated financial statements of Wagmatcook First Nation (the "First Nation"), which comprise the consolidated statement of financial position as at March 31, 2021, and the consolidated statements of operations, change in fund balances, changes in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2021, and the results of its consolidated operations, changes in its consolidated net debt and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter - Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplementary information included on Pages 30 - 33 is presented for purposes of additional information and is not a required part of the consolidated financial statements. Such supplementary information has been subjected to the auditing procedures applied, only to the extent necessary to express an opinion on the audit of consolidated financial statements as a whole.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or
error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is
higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations.

T: 902.539.3900 F: 902.564.6062 MNP.ca

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MANAGEMENT'S REPORT

Management's Responsibility for the Financial Statements

The accompanying consolidated financial statements of Wagmatcook First Nation are the responsibility of management and have been approved by the Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, MNP LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Wagmatcook First Nation and meet when required.

On behalf of Wagmatcook First Nation:

Allan MacNeil CFO

NATURE OF OPERATIONS

Wagmatcook First Nation Council is comprised of a Chief and seven councilors under the Indian Act of Canada. The Council is accountable to the local Mi'kmaq community members for the delivery of programs and services, management of all financial resources and planning to support future community-based self-government.

1. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of presentation

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards.

(b) Reporting entity

The Wagmatcook First Nation reporting entity includes Wagmatcook First Nation government and all related entities which are accountable to the First Nation.

(c) Principles of consolidation

These consolidated financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

Wagmatcook First Nation Operating and Capital Funds Wagmatcook First Nation Trust Funds Wagmatcook Enterprise, Heritage and Community Complex Wagmatcook Education Authority Limited

The First Nation accounts for investments in non-controlling business partnerships on the cost basis

(d) Fund accounting

The resources and operations of the First Nation are comprised of the operating and capital funds. Transfers between funds are recorded as adjustments to the appropriate fund balance. Supporting schedules to the consolidated financial statements are included to show the financial activities and change in the balance of each fund.

(e) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets, prepaid expenses and inventories of supplies.

For the year ended March 31, 2021

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(f) Segments

The First Nation conducts its business through various reportable segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives to aid in resource allocation decisions and to assess operational performance

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the *Significant accounting policies*.

(g) Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

(h) Term deposits

Term deposits are valued at the lower of cost or market value.

(i) Inventories for resale

Inventory of goods available for resale, is recorded at the lower of cost and net realizable value.

(j) Tangible capital assets

Tangible capital assets acquired since 1987 are reported in the statement of financial position at cost net of accumulated amortization. All tangible capital assets acquired prior to 1987 have been written off. They are amortized on a straight-line basis over their estimated useful lives at the following rates:

Asset	Basis	Rate
Buildings	Straight-line	40 years
Equipment	Straight-line	5-10 years
Roads	Straight-line	50 years
Lagoons and water systems	Straight-line	40 years
Fishing vessels	Straight-line	15 years
Wharf	Straight-line	40 years

A full year's amortization is taken in the year of acquisition.

For the year ended March 31, 2021

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tangible capital assets are written down when conditions indicate that they no longer contribute to Wagmatcook First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

(k) Intangible assets

Intangible assets consist of purchased fishing licenses and are recorded at cost. They are not amortized as they have an indefinite life.

(I) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned, or service performed. Interest is recognized on the accrual basis as it is earned. All other revenue is recognized when a price is agreed and all significant contractual obligations have been satisfied and collectability is reasonably assured.

For the year ended March 31, 2021

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(m) Financial instruments

Measurement of financial instrument

The First Nation initially measures its financial assets and financial liabilities at fair value and subsequently measures its financial assets and financial liabilities as follows:

Financial instrument	Measurement basis
Cash/cheques issued in excess of funds on deposit	Fair value
Term deposits	Fair value
Receivables	Amortized cost
Accounts payable and accrued liabilities	Amortized cost
Bank loans	Amortized cost
Long-term debt	Amortized cost

Transaction costs related to financial assets are expensed as incurred.

Impairment

Financial assets measured at cost or amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in income. A previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is not greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in income.

(n) Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, the disclosure of contingencies and the reported amounts of revenues and expenditures in the consolidated financial statements and accompanying notes. Items requiring the use of significant estimates include the valuation of receivables, inventories, capital assets and intangible assets. Due to the inherent uncertainty in making estimates, actual results could differ from those estimates.

Other	3,970,388	4,245,800
Amortization	1,354,579	1,275,226
	\$ 24,173,954	\$ 23,975,765

16. RETIREMENT PLAN

Wagmatcook First Nation provides a voluntary defined contribution RPP and a group RRSP for eligible employees. As part of this plan, the Wagmatcook First Nation matches employee contributions to the specified limit. The employer's portion for the years ended March 31, 2021 and 2020 was \$147,457 and \$99,385 respectively.

17. ECONOMIC DEPENDENCE

The Wagmatcook First Nation receives a major portion of its revenues pursuant to funding arrangements with the federal government and its agencies. The continued operation of the First Nation is dependent on the continuation of these funding arrangements.

18. CONTINGENCIES

The Wagmatcook First Nation has entered into contribution agreements with various federal government departments and agencies. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

For the year ended March 31, 2021

19. INVESTMENT IN LIMITED PARTNERSHIPS

Wagmatcook First Nation business entities that are owned but not controlled by the First Nation and not dependent on the First Nation for their continuing operations are recorded at cost and any earnings are reported as they are distributed. As at March 31, 2021, no distributions have taken place for the investments, which include:

Mi'kmaq Resource Development Partnership ("MRDP")

MRDP holds investments in two Wind LP's, Beaubassin Mi'maq Wind LP and Whynott's Mi'kmaq Wind LP. As at March 31, 2021, the financial statements of MRDP have not been audited and the capital account of the First Nation was \$70,841 (2020 - \$70,841).

E'sukutimkewey Limited Partnership ("ELP")

ELP earns revenue from the surf clam industry. As at March 31, 2021, the financial statements of ELP have not been audited and the capital account of the First Nation was \$151,832 (2020 - \$151,832)

ANSMC Cannabis Holdings Partnership ("ANSMC")

ANSMC holds a 100% interest in ANSMC Cannabis GP Ltd. Which holds a 41% interest in Growforce AC Holdings Inc. which holds a 100% interest in Atlanticann Medical Inc. As at March 31, 2021, the financial statements of ANSMC have not been audited and the capital account of the First Nation has not been provided to Management.

20. FINANCIAL INSTRUMENTS

The First Nation is exposed to various risks through its financial instruments and includes the following significant risks at March 31, 2021.

Credit risk

The First Nation's credit risk results from trade accounts receivable and receivables from other levels of government.

The First Nation extends credit to members and also receives rebates from various sources. When required, the First Nation records an allowance for doubtful accounts for items where collection is no longer assured.

Amounts owing from other levels of government are based on funding agreements and subject to review by the applicable government body.

The First Nation is not exposed to significant concentration risk.

For the year ended March 31, 2021

20. FINANCIAL INSTRUMENTS (CONTINUED)

Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The First Nation's interest rate risk arises from long-term borrowings at a fixed rate that creates fair value interest rate risk. Changes in market interest rates cause the fair value of long-term debt with fixed interest rates to fluctuate but do not affect the statement of operations, as the First Nation's debt is carried at amortized cost and the carrying value does not change as interest rates change.

Liquidity risk

Liquidity risk is the risk that the First Nation will encounter difficulty in meeting obligations associated with financial liabilities. The First Nation manages this risk through preparing budgets and by monitoring forecasted and actual cash flows.

The First Nation's future obligations with respect to debt repayments are disclosed in notes 8 and 11.

21. BUDGETED FIGURES

Budgeted figures have been provided for comparison purposes and have been derived from the estimates approved by Chief and Council.

22. IMPACT ON OPERATIONS OF COVID-19

In early March 2020 the impact of the global outbreak of COVID-19 (coronavirus) began to have a significant impact on businesses through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders.

At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on Wagmatcook First Nation as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.
